MEMORANDUM FOR THE RECORD

SUBJECT: Conversation [REDACTED]

[REDACTED] called to say that an [REDACTED] employee had been contacted by the HSC for an interview. Based upon [REDACTED] reading to him of the Employee Bulletin, the employee, [REDACTED], talked with an HSC staffer, probably Emily Sheketoff, by phone. Conversation took place on 22 September.

Emily's questions had to do largely with the Agency's "excepted status" (not under Civil Service). Emily seemed to want to know whether we had abused this position. She asked about promotions, etc. At the end of the talk, she asked [REDACTED] if he could give her the names of any other ex-employees with whom she could talk. [REDACTED] demurred.

Emily is also due to talk later today [REDACTED] although [REDACTED] worked on Cyprus before retiring. [REDACTED] will pass on any fall-out from this interview.

[REDACTED]
